Tammy McGee This is a great idea! I love the idea of someone leaving a review of how their date went. Maybe people would be more honest about themselves if they knew someone was going to rat them out...lol

Courtney Conover Tammy McGee I just think it's a good idea to know what you're getting into before you even bother starting. People lie, hide, and omit. I want to know what everyone else thinks about you before I even consider it lol. You know what I mean?

Courtney Conover Example as to why this is necessary ----
The one person I've dated since my divorce in 2016. His closest friend of 15 years said he was a good man and just needed some love and affection. No problems whatsoever.
Until it ended. Which is when the friend finally admitted hiding the fact that he was a thrice accused rapist and confirmed pedophile that was sending pro pedophile propaganda to underage girls and was caught making out on a couch with an underage girl.
My reaction - WHY THE FUCK DID YOU NOT TELL ME????
The friends? Because I wanted him to have a chance to date a good woman for once. Telling you the truth would have only screwed it up for him.
Exactly why this is needed!
